

Corning Healthcare District Hires Maintenance Manager

Mike Smith is the new maintenance manager at Corning Healthcare District. President Charles Rouse made the announcement.

Smith has been an active member of both the Red Bluff and Corning Rodeo. He has served on various committees through out Tehama County. Readers may also recognize him as the owner of the business called *Mike Smith's Honey Do*.

Smith's reputation as an excellent carpenter and an honest businessman caught the attention of the district's manager. When he applied for the position, "I knew I had hit the Jackpot" said Engebretsen.

"Mike Smith has a positive attitude and works well with people," said Jan Irvin, Administrative Assistant. "He often makes us laugh. It is a joy to work with someone like that."

The District office is located at 275 Solano Street in Corning. Corning Healthcare District "strives to bring quality healthcare and human services related to health to the south county region in order to facilitate areas of unmet healthcare needs".
